

Kitchen Ventilation Hood

This kitchen range hood removes smoke, grease, and odors from the cooking area. It features a control panel, built-in light, and a metallic finish.

Product Overview

Professional Kitchen Ventilation

This kitchen range hood provides efficient air filtration by removing smoke, grease, and odors from the cooking environment. Featuring a sleek, modern metallic finish, it integrates seamlessly into contemporary commercial or residential kitchen designs. The unit is purpose-built for secure wall mounting above stoves and cooktops, ensuring a clean and safe atmosphere for food preparation.
