

Kitchen Ventilation Hood with Grease Filter and Lighting

This kitchen range hood is designed for wall mounting above a stovetop. It features a ventilation system, grease filter, and integrated lighting to remove smoke, grease, and odors from the cooking area.

Product Overview

Professional Kitchen Ventilation Solution

This high-performance kitchen ventilation hood is engineered to maintain a clean cooking environment by efficiently removing smoke, grease, and odors. Designed for wall-mounted installation above commercial or professional-grade stovetops, it integrates robust ventilation capabilities with practical lighting. Its durable metallic finish ensures longevity and ease of maintenance in demanding kitchen settings.
