

Kitchen Ventilation Hood with LED Lighting

This range hood provides efficient kitchen ventilation. It features a powerful extraction system, multiple fan speeds, and integrated LED lighting.

Overview

High-Efficiency Kitchen Ventilation

This modern range hood is engineered for professional and residential kitchen environments, effectively removing smoke, odors, and grease. Constructed with high-quality stainless steel, it offers exceptional durability and a sleek aesthetic that is easy to maintain. The integrated system features advanced fan speed settings and bright LED lighting, ensuring both visibility and comfort during culinary activities.

Technical Specifications

Key Features

- Powerful extraction system
- Multiple fan speed levels
- Integrated LED lighting
- Touch-sensitive control panel
