

# Kitchen Ventilation Range Hood

This range hood provides efficient kitchen ventilation. It features multi-layer filters and integrated LED lighting.

## ADDITIONAL IMAGES

## Product Overview

### Professional Kitchen Ventilation

This 900mm range hood is designed to provide high-efficiency air extraction for modern culinary environments. Featuring a sleek glass front panel paired with a robust stainless steel coaming, it combines aesthetic appeal with heavy-duty performance. Its high-quality copper motor and iron blower assembly ensure reliable operation, while the intuitive touch-key interface allows for precise control over kitchen ventilation settings.
