

Laminated Steel Padlocks with Keys

These padlocks feature a durable laminated steel body. Each padlock comes with its own set of keys and a protective bumper.

Product Overview

Durable Security Solution

These laminated steel padlocks are designed to provide reliable security for a wide range of applications. Constructed with a robust steel body and enhanced with a protective blue bumper, they are built to withstand daily wear and tear. Each unit comes complete with its own set of keys, ensuring immediate usability for securing equipment, storage units, or restricted areas.
