Product Overview

Professional Lawn Mower Maintenance Lift

This heavy-duty mower lift is designed for the safe and efficient maintenance of lawn tractors and zero-turn mowers. Featuring a robust steel tube frame construction, it provides a stable platform for blade maintenance, deck cleaning, and undercarriage repairs. The adjustable design and screw-driven mechanism ensure controlled lifting and secure positioning for various mower models.

Technical Specifications

Max. Load Capacity	400 kg
Inclination Angle	45 degrees
Working Width	96-100 cm
Net Weight	9 kg

Physical Dimensions

Frame Material	Steel tube 30 x 30 mm
Wheel Width	30 cm
Product Dimensions (LxWxH)	115 x 50 x 20 cm
Packing Dimensions (LxWxH)	116 x 51 x 13 cm

Options

Available Colors

Red • Green • Blue
