

Leather Bicycle Handlebar Bag

This leather tour bag is designed for attachment to bicycle handlebars. It is ideal for carrying small items during bicycle rides.

Product Overview

Classic Leather Tour Bag

Designed for urban cycling, this versatile leather tour bag seamlessly blends classic aesthetics with modern convenience. It features a secure Velcro attachment system, allowing for quick installation and removal from your bicycle handlebars. With its compact yet functional design, it serves as the perfect companion for carrying essentials like phones, cards, and keys, while also doubling as a stylish handbag.
