

Leather Palm Gardening Gloves with Gauntlet Cuff

These gardening gloves feature a durable leather palm for protection and a patterned fabric back for comfort and style. The extended gauntlet cuff provides added protection for the wrist and forearm, shielding against thorns, scratches, and dirt.

Product Overview

Professional Protection and Comfort

These gardening gloves are expertly crafted with a durable leather palm designed to provide superior protection against thorns, scratches, and abrasions. The extended gauntlet cuff offers essential coverage for the wrist and forearm, ensuring safety during intensive gardening tasks. Combining high-quality leather with a breathable, patterned fabric back, these gloves deliver both long-lasting durability and excellent dexterity for professional and hobbyist gardeners alike.
