

Leather Wallets and Card Holders

This collection features wallets and card holders crafted from leather. Available designs include slim card holders, bi-fold wallets, and larger wallets with snap closures, each offering multiple compartments.

Product Overview

Premium Leather Accessory Collection

This collection features a versatile range of brown leather wallets and card holders designed for professional and daily use. The lineup includes slim card holders, classic bi-fold wallets, and larger models with secure snap closures, catering to various storage needs. Crafted with attention to detail, these accessories offer a mix of textures, including sophisticated crocodile-skin style finishes, ensuring both style and functionality.
