

LED Display Steam Iron

This steam iron features dry, spray, and steam functions, along with burst of steam and self-cleaning capabilities. It also includes anti-calc, anti-drip, auto shut-off, and an LED display.

Product Overview

Professional LED Steam Iron

This versatile LED display steam iron is engineered for high-performance garment care, featuring a range of specialized modes including dry, spray, steam, and burst of steam. Designed with safety in mind, it includes an overheat protection circuit and optional advanced features like anti-calc, anti-drip, and auto shut-off functionality. Its highly accurate temperature control and diverse soleplate coating options ensure efficient ironing across various fabric types from silk to linen.

Technical Specifications

Power Range	3000 W
Supported Voltage	220-240V, 100-127V
Water Tank Capacity	390 ml

Performance Metrics

Steam Output

35 g/min

Continuous Steam

0.8 g/time

Burst of Steam

Features

Core Functions

Dry • Spray • Steam • Burst of Steam • Self-Cleaning • LED Display

Safety & Advanced Options

- Overheat safety protection
- Anti-Calc (Optional)
- Anti-Drip (Optional)
- Auto Shut-Off (Optional)

Physical Dimensions

Unit Size	310 x 128 x 150 mm
Soleplate Size	237 x 129 mm
