Product Overview

High-Performance Outdoor Lighting

The M Series LED Flood Light is engineered for durability and reliability in demanding outdoor environments. Featuring robust aluminum construction and an IP66 protection rating, these units are built to withstand harsh weather conditions while providing bright, uniform illumination. With a modular-style range of power options from 50W to 600W, this series offers a scalable solution for security, landscape, and large-area architectural lighting.

Technical Specifications

Core Specifications

Feature	Value
Voltage	220-240V, 50/60Hz
Luminous Efficacy	80 lm/W
Material	Aluminum
Protection Rating	IP66

Available Power Models

- 50W
- 100W
- 150W
- 200W
- 300W
- 400W
- 500W
- 600W

Dimensions by Model

Power	Dimensions (mm)
50W	295 x 70 x 138
100W	295 x 70 x 268
150W	298 x 73 x 378
200W	298 x 73 x 490
300W	573 x 73 x 378
400W	573 x 73 x 490
500W	573 x 73 x 600
600W	573 x 73 x 700
