

# LED Illuminated Reindeer and Sleigh Christmas Decoration Set

This Christmas decoration set features a reindeer and sleigh illuminated with LED lights. Constructed from a clear material, the reindeer includes detailed antlers, and the sleigh has intricate wireframe detailing.

## Product Overview

### Festive Illumination Set

This Christmas decoration set features a beautifully crafted reindeer and sleigh duo, designed to bring holiday cheer to any environment. Constructed from clear, durable materials, the figures are illuminated by integrated LED lights, creating a warm and inviting glow. With intricate wireframe detailing on the sleigh and a realistic stance on the reindeer, this set is versatile enough for both indoor and outdoor seasonal displays.
