

# LED Recessed Downlight Fixture

This LED downlight provides efficient and uniform illumination for various applications. Featuring a slim profile and integrated LED technology, this downlight provides energy savings and long-lasting performance.

## ADDITIONAL IMAGES

## Overview

### Ballet Series LED Downlight

The Ballet Series LED Downlight features a unique patent-protected design inspired by ballet skirts, offering an elegant aesthetic for modern interiors. Engineered with high-quality Samsung LED technology, these fixtures provide efficient, bright illumination while maintaining a solid, durable structure. Designed for versatility, they are an excellent replacement solution for traditional downlights in residential, retail, and hospitality environments.

### Performance Data

Model	Power	Flux	Cutout
L-DL-0320-7W	7	560	80
L-DL-0320-10W	10	800	92
L-DL-0320-15W	15	1200	105
L-DL-0320-20W	20	1600	142
L-DL-0320-30W	30	2400	180

Beam Angle: 120 degrees

CRI: 80

Available Color Temperatures: 3000K, 4000K, 6500K

Rated Lifetime: 25000 hrs

Dimmable: No

## Electrical

Input Voltage: 100-240V

## Compliance

### Certifications

CE Compliant

## Applications

### Recommended Applications

- Residential / Home
- Shopping Malls
- Restaurants
