

LED Reflector Bulb

This LED reflector bulb is designed for energy efficiency and long-lasting performance. The reflector design focuses light output, making it ideal for accent lighting and task lighting applications.

Product Overview

High-Efficiency LED Reflector

This LED reflector bulb is engineered for superior energy efficiency and long-term reliability. Designed with a focused beam output, it serves as an ideal solution for both accent and task lighting requirements. Its durable construction ensures consistent performance and reduced maintenance, making it a cost-effective choice for professional lighting environments.

Technical Specifications

Base Type	Standard Screw Base
Recommended Applications	Accent Lighting, Task Lighting

Performance Features

Key Advantages

- Energy efficient operation
- Focused light output
- Extended operational lifespan
- Durable construction
