

LED Remote Control Lamp Set

This LED lamp set includes a remote control for convenient operation. It features a circular design with multiple LEDs, ideal for energy-efficient and versatile lighting solutions.

Product Overview

Versatile LED Cabinet Lighting

This LED Remote Control Lamp Set provides a flexible and energy-efficient lighting solution for cabinets and various indoor spaces. The set features compact, circular lamps equipped with 2835 SMD LEDs, capable of producing adjustable color temperatures ranging from 3000K to 6500K. With the included remote control, users can easily manage lighting states and utilize the built-in 30-minute timer for added convenience.
