Product Overview

M7 Series LED TV Components

The M7 series offers a versatile solution for television assembly, available in 32-inch, 38.5-inch, and 43-inch configurations. Designed with high-quality ABS shining front cabinets and durable plastic back cabinets, these components provide a sleek, modern aesthetic. The system supports customizable audio options, allowing for either 5090 or 2-inch HiFi speakers to meet specific sound requirements.
