

LED Tri-Proof Light

This tri-proof light is designed to withstand water, dust, and corrosion. Integrated LED technology ensures energy efficiency and a long lifespan, making it suitable for industrial settings, parking garages, and warehouses.

Product Overview

Industrial-Grade Tri-Proof Lighting

This high-performance tri-proof lamp is engineered to provide reliable illumination in harsh industrial environments. With a sealed enclosure that offers superior resistance to water, dust, and corrosion, it ensures long-term operational stability. The integrated LED technology provides high energy efficiency and a long service life, making it an ideal choice for warehouses, parking garages, and demanding industrial settings.

Key Features

Resistance Ratings

Waterproof, Dust-tight, Corrosion-resistant, Impact-resistant

Technical Specifications

Performance Metrics

18 W

Min Power

72 W

Max Power

6480 lm

Max Luminous Flux

Available Models

Model	Power	Lumen	Size
TPL-60	18W	1620lm	613*58*34mm
TPL-60	36W	3240lm	613*58*34mm
TPL-120	36W	3240lm	1211*58*34mm
TPL-120	72W	6480lm	1211*58*34mm

Electrical Information

Input Voltage

- 100-250V
- 175-250V

Installation

Mounting Method

Surface-mounted
