

Light Green Pedal Waste Bin

This cylindrical waste bin features a light green body and a chrome-finished lid. It includes a foot pedal for hands-free operation and is constructed with a durable metal exterior.

Product Overview

Professional Hands-Free Waste Disposal

This light green pedal waste bin is designed for efficient, hygienic waste management in professional environments. Featuring a durable metal exterior and a convenient foot-operated pedal, it allows for hands-free opening to maintain a clean workspace. The sleek cylindrical design and polished chrome-finished lid offer a professional aesthetic suitable for various office or commercial settings.
