Product Overview

High-Efficiency E-bike Battery Charger

The C600B is a professional-grade battery charger engineered for electric motorcycles, tricycles, and e-bikes. Featuring a durable aluminum alloy housing and high-efficiency power conversion, it provides reliable charging for Li-ion battery packs. The unit is designed for safety and ease of use, incorporating clear LED status indicators for monitoring the charging process.

Technical Specifications

Output Performance

29.2 V

Output Voltage

18 A

Output Current

Input Voltage 200-240V or 100-120V

Maximum Efficiency 91 %

Physical Characteristics

Dimensions 173 x 90 x 51 mm

Net Weight 0.8 KG

Housing Material Aluminum alloy

Compatibility & Features

Charging Indicators

- Red: Charging
- Green: Fully Charged

Certifications

CE

Battery Compatibility

Li-ion, LiFePO4, Lead Acid
