

Louvered Square Exhaust Fan

This exhaust fan is designed for ventilation purposes, suitable for wall or ceiling mounting. It features a multi-blade impeller for efficient air extraction and includes an indicator light for operational status.

Product Overview

Efficient Ventilation Solution

This square-shaped exhaust fan is engineered for effective air extraction in residential and commercial spaces. Featuring a durable housing and a louvered front grill, it combines safety with a clean, aesthetic design suitable for wall or ceiling mounting. The multi-blade impeller ensures consistent performance, while the integrated indicator light provides clear feedback on operational status.

Design & Build

Key Features

- Louvered front grill
- Multi-blade impeller
- Operational status indicator light

Shape

Square

Mounting Options

Wall Mount, Ceiling Mount

Applications

Recommended Environments

Bathroom • Kitchen • General Ventilation
