

Low Noise Diesel Generator Set

This low noise diesel generator set is designed for reliable power generation in diverse applications. It features a robust diesel engine, a soundproof enclosure for quiet operation, and an advanced control panel for monitoring and management.

Product Overview

Reliable Low Noise Power Generation

This series of diesel generator sets is engineered for consistent, high-performance power generation across industrial, commercial, and residential applications. Featuring a robust diesel engine paired with a soundproof enclosure, these units ensure quiet operation without sacrificing efficiency. The integrated advanced control panel allows for precise monitoring and management of power output, making it an ideal stable power source for demanding environments.

Performance Specifications

Model Specifications

Model	Rated Output (kVA)
GFS-10	10
GFS-12	12
GFS-15	15
GFS-20	20
GFS-24	24
GFS-30	30
GFS-40	40
GFS-50	50
GFS-64	64
GFS-75	75
GFS-90	90
GFS-100	100
GFS-120	120
GFS-150	150
GFS-200	200
GFS-250	250
GFS-280	280
GFS-300	300
GFS-320	320
GFS-350	350
