

# LR03 Alkaline Batteries in Packs

Supplied in packs of two, these LR03 alkaline batteries are suitable for a variety of devices. They are arranged in single-layer side placement and are efficiently packaged.

## Product Overview

### High-Performance Alkaline Power

These LR03 alkaline batteries are designed for reliable, long-lasting power in a variety of household and professional devices. Supplied in convenient 2-pack hanging cards, they offer a mercury-free formulation for safer usage. With robust packaging options ranging from individual packs to bulk carton quantities, they are an ideal solution for retail inventory or high-volume usage.
