

# Magnetic Anti-Theft Security Box for Supermarkets

This magnetic anti-theft security box is designed for supermarkets to protect high-value merchandise. It uses a magnetic locking mechanism and is compatible with EAS systems.

## ADDITIONAL IMAGES

## Product Overview

### High-Security Retail Protection

This EAS magnetic safer box offers a robust anti-theft solution for high-value supermarket items such as electronics, cosmetics, and pharmaceuticals. Designed with a transparent PC+ABS construction, it ensures products remain visible to customers while providing a tamper-evident enclosure. The dual-frequency compatibility and slide-open magnetic locking mechanism make it a versatile and secure choice for modern retail environments.
