

Magnetic Cup Dispenser

This magnetic cup dispenser is designed for dispensing disposable cups. It features a magnetic mounting system for easy attachment to water coolers or other metallic surfaces.

Product Overview

Professional Magnetic Cup Dispenser

This modern, streamlined cup dispenser is designed to fit seamlessly into professional environments such as offices and waiting rooms. It features a durable PC transparent body with a hygienic hinged lid to protect cups from dust and contamination. With a versatile mounting system, it can be attached to water coolers or flat surfaces using either screws or magnets.
