Product Overview

Professional Magnetic Parts Tray

This durable magnetic parts tray is an essential tool for automotive repair, electronics assembly, and general workshops. Constructed from high-quality ABS plastic, it features a recessed design to keep small metallic components and fasteners secure. The integrated magnetic base ensures the tray adheres firmly to ferrous surfaces, while the PVC bottom prevents scratching, making it a reliable solution for keeping your workspace organized and efficient.

Physical Specifications

Dimensions	152mm (W) x 255mm (L) x 25mm (D)
Material	ABS Plastic, PVC Bottom

Magnetic Performance

Magnetic Strength

1000 gauss
Max Magnetic Flux

2 pcs
Magnet Count

Magnet Diameter	70 mm
