Product Overview

Manual Multifunction Meat Mincer

This manual, compact meat mincer is designed for efficient home use, offering a versatile solution for processing fresh meat, vegetables like chili and garlic, and preparing homemade sausages. Constructed with a food-grade ABS plastic body and durable stainless steel blades, it provides a practical alternative to electric grinders without the need for power. Its easy-to-clean design and manual operation ensure precise control, making it an essential tool for any kitchen.
