

Manual Tile Cutter

This manual tile cutter is designed for precise and efficient tile cutting. It features a smooth-gliding scoring system and a breaking mechanism for clean cuts, making it suitable for various tile types and sizes.

Product Overview

Professional Manual Tile Cutter

This manual tile cutter is engineered for precision and efficiency, making it an essential tool for professional tiling projects. Designed to handle various tile types and sizes, it features a smooth-gliding scoring system that ensures accurate lines every time. The integrated breaking mechanism allows for clean, controlled snaps, reducing material waste and improving overall workflow on the job site.

Technical Specifications

Cutting Capabilities

800 mm

Max Cutting Length

12 mm

Max Cutting Thickness

Construction Materials

Steel Base, Aluminum Alloy, Tungsten Carbide Wheel

Features

Key Features

- Smooth-gliding scoring system
- Precision breaking mechanism
- Adjustable cutting guide
- Ergonomic handle design

Compliance

ISO 9001 • CE Certified
