Product Overview

Precision Manual Tile Cutter

This professional-grade manual tile cutter is engineered for high-precision cutting across a variety of tile sizes and thicknesses. Featuring a robust 15x45mm rectangle sliding bar and a sophisticated 9-ball sliding system, it ensures perfectly straight cuts without bending. Equipped with specialized breakers, extension bars, and integrated transport wheels, this tool offers both the durability required for construction sites and the convenience needed for mobile tiling projects.

Cutting Capabilities

Diagonal Cut Capacity

Length	Max Diagonal
600 mm	420x420 mm
750 mm	530x530 mm
900 mm	630x630 mm
1350 mm	950x950 mm

Max Cutting Thickness

18 mm

Available Cutting Lengths

600 mm, 750 mm, 900 mm, 1350 mm

Technical Features

Key Components

- Flexible working table
- Small and large breakers for varied tile sizes
- Extension bar for large format tiles
- Integrated transport handle and wheels
- Dedicated tool box

Sliding Mechanism

9 balls sliding system on 15x45mm rectangle bar

Anti-Bend Design

Yes
