

Manual Tile Cutter with Scoring Wheel

This manual tile cutter is designed for precise and efficient tile cutting. It features a sturdy base for stability and an adjustable guide for accurate, repeatable cuts.

Product Overview

Professional Manual Tile Cutter

This manual tile cutter is engineered for precision and efficiency, making it an essential tool for ceramic and porcelain tile installation. It features a robust, sturdy base ensuring maximum stability during operation, paired with a high-quality scoring wheel that creates clean, accurate lines. The integrated lever mechanism allows for effortless snapping, while the adjustable guide supports repeatable, precise cuts for various project requirements.
