

Marble Base Table Lamp with Black Shade

This table lamp features a cylindrical black lampshade and a slender, two-tone stem. The lamp is anchored by a round base crafted from white marble, providing stability and a touch of sophistication.

Product Overview

Sophisticated Ambient Lighting

This elegant table lamp combines a luxurious white marble base with a sleek black and gold metallic body, creating a striking aesthetic for modern interior spaces. Designed for versatility, it serves as a sophisticated lighting solution for bedside tables, desks, or living room accents. Its robust construction ensures stability, while the E27 lamp holder accommodates standard bulbs for easy maintenance.
