Product Overview

Precision-engineered marine valve designed for high-performance SULZER 7RAT-48A engines.

High-Precision Marine Valve

This 7mm marine valve is specifically engineered for SULZER 7RAT-48A compression-ignition engines. Designed for durability and reliable performance in demanding marine environments, it ensures optimal engine efficiency and longevity. The component is precision-manufactured to meet the rigorous standards required for ship-based internal combustion piston engines.

Technical Specifications

Engine Compatibility	SULZER 7RAT-48A
Diameter	7 mm
Material	Steel

Logistics and Support

Payment Terms

- T/T
- Western Union
- MoneyGram
- PayPal

Available Shipping

DHL, FedEx, UPS, TNT, EMS, ARAMEX, Air Freight

Global Reach

North America, South America, Europe, Mid East, Africa, Asia, Australia

Packaging Details

Neutral packing or custom specified packaging
