Product Overview

Rugged Style and Enhanced Visibility

This Matte Black ABS LED grille is specifically designed for 2005-2007 Ford F250 and F350 trucks. It combines a durable, rugged matte black finish with integrated LED lighting to provide both a modern aesthetic and improved front-end visibility. Engineered for a seamless fit, this component serves as a direct replacement for the factory grille, ensuring quick installation without the need for cutting or drilling.

Compatibility & Fitment
