Product Overview

Versatile Cutting and Welding Solution

This medium-duty portable kit provides a comprehensive solution for precise welding, soldering, brazing, and cutting tasks. Designed for professional reliability, the set includes essential regulators, torches, and accessories, all organized in a high-quality, durable plastic storage box. It is an ideal choice for on-site maintenance, construction, and automotive repair applications requiring flexibility and ease of transport.

Performance Capabilities

Cutting Capacity	150 mm
Welding Capacity	31 mm

Standards & Compliance

Regulator Standard	EN 2503, UL
Torch Standard	EN 5172, UL

Kit Components

Included Components

- Torch Handle (G01-100B-H)
- Cutting Attachment (G01-100B-CA)
- Cutting Tip (3-101 0#)
- Welding Tips (V1-0#, 2#, 4# with Mixer)
- Oxygen Regulator (OR-20B)
- Acetylene Regulator (AR-20B)
- Tip Cleaner
- Spark Lighter
- Wrench
- Welding Goggle

Hose Specifications

4.5 M

Hose Length

0.25 inch

Hose Diameter

Optional Accessories

Available Options

- Heating Nozzle (MFA-1-6#)
- Check Valve
