Product Overview

Advanced Integration Interface

This camera interface is specifically engineered for Mercedes-Benz vehicles equipped with the NTG 6.0 MBUX system and a 7-inch display. It provides a seamless, plug-and-play solution for integrating aftermarket front and rear-view cameras, as well as additional video sources. The system supports dynamic parking guidelines and automatic camera switching, ensuring enhanced safety and driver convenience without compromising the vehicle's original aesthetics.

Compatibility

Compatible Models	Mercedes-Benz A-Class (2018-2020), NTG 6.0 System, MBUX System, 7-inch Screen
