

Metal Round Point Shovel with D-Grip Handle

This heavy-duty round point shovel is constructed from durable metal. It features a comfortable D-grip handle for enhanced control and reduced fatigue during digging, landscaping, and gardening tasks.

Product Overview

Professional Grade Round Point Shovel

This heavy-duty metal round point shovel is engineered for efficient soil penetration and material handling in demanding environments. Featuring a robust construction and an ergonomic D-grip handle, it provides superior control while minimizing user fatigue. It is an essential, reliable tool for various landscaping, construction, and intensive gardening applications.

Technical Specifications

Blade Shape	Round Point
Material Composition	Metal, Durable
Handle Style	D-Grip

Key Features

Primary Advantages

- Enhanced control during operation
- Reduced user fatigue
- Efficient soil penetration
- Heavy-duty construction

Applications

Suitable Tasks

Landscaping • Gardening • Digging • Material Lifting
