

# Metal Sheet Nibbler Drill Attachment

This double head nibbler drill attachment transforms a standard drill into a sheet metal cutter. It is designed for making clean, accurate cuts in various metal materials.

## ADDITIONAL IMAGES

## Product Overview

### Versatile Metal Cutting Solution

This metal sheet nibbler drill attachment is designed to transform any standard drill into a powerful, precision cutting tool. Featuring a 360-degree double cutting head, it allows for clean, burr-free cuts on straight lines, curves, and circles. It is an essential, cost-effective tool for automotive repair, HVAC maintenance, and general metal fabrication projects.

## Technical Specifications

### Required Drill Speed

**1500 RPM**  
Minimum Speed

**3000 RPM**  
Maximum Speed

<b>Cutting Head</b>	360-degree double cutting head
<b>Compatible Materials</b>	Stainless Steel, Copper, Aluminium, Plastic, Fibreglass, Formica, Corrugated Material, Powder Coated Material

## Physical Dimensions

<b>Unit Dimensions</b>	241mm x 140mm x 55mm
<b>Unit Weight</b>	476.2 g

## Logistics & Packaging

### Carton Specifications

Metric	Value
Carton Dimensions	53 x 29 x 28 cm
Gross Weight	10.7 kg
Quantity per Carton	20 sets

### Packaging Type

Sliding card
