

Metallic Blue In-Ear Monitoring Headphones

These in-ear headphones feature a metallic blue finish and black ear tips for noise isolation. The design incorporates a cylindrical stem leading to the earpiece, with a visible wire extending from the base.

Product Overview

Professional Monitoring Audio

These in-ear monitoring headphones are designed for high-quality audio reproduction in a compact, portable format. Featuring a striking metallic blue finish and ergonomic black ear tips, they provide excellent noise isolation for focused listening. Their lightweight construction and durable design make them an ideal choice for professional monitoring or personal audio enjoyment.
