

Metric Impact Socket Set, 3/4" Drive, 24-46mm, 10-Piece

This set includes ten sockets with sizes ranging from 24mm to 46mm. They are made of chrome molybdenum steel.

Product Overview

Professional 3/4" Drive Impact Socket Set

This 10-piece metric impact socket set is engineered for heavy-duty applications in automotive repair, construction, and industrial maintenance. Manufactured from high-strength chrome molybdenum steel (Cr-Mo), these sockets are designed to withstand the extreme torque of 3/4" drive impact wrenches. The set features a corrosion-resistant black oxide finish and comes in a durable blow-mold case for organized storage and easy transport.
