Product Overview

High-Performance Data and Charging Solution

This high-speed USB 2.0 A-Male to Micro-B cable is engineered for fast charging and reliable data transfer. Constructed with flexible, durable liquid silica gel, it offers a skin-friendly feel and superior resistance to wear and tear. Designed to minimize tangling, this cable is an ideal, long-lasting accessory for smartphones, tablets, and other portable electronic devices.

Technical Specifications

High-speed USB 2.0 A-Male to Micro-B connector design.

Durable, tangle-resistant round cable construction.

Available Colors

Green • Purple • Pink • Yellow

Cable Length

3 m

Material

Liquid silica gel

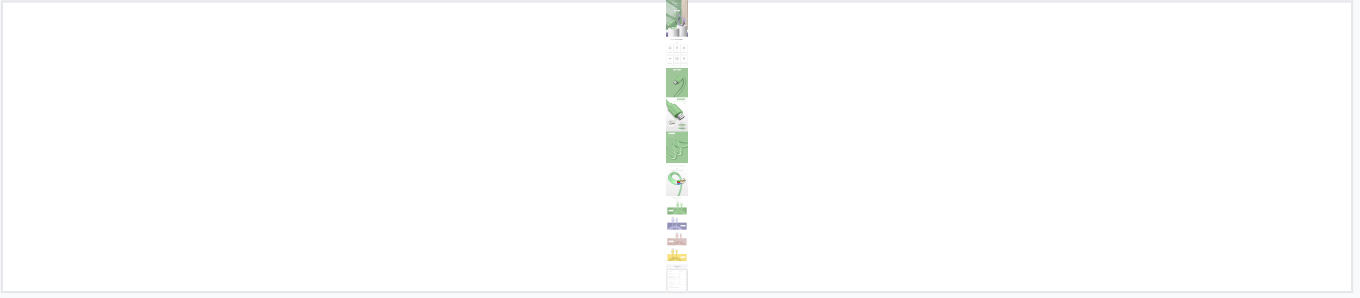

Functionality

Fast Charging, Data Transmission

Connector Type

USB Type-A to Micro-USB

Performance Metrics

Features including smart chip technology, durable liquid silica gel, and multiple color availability.

Durability Testing

400000 cycles

Micro-USB Insertions

200000 cycles

USB Insertions

Compliance & Standards

Compliance with international quality and safety standards.

Certifications

CE, RoHS, FCC, ISO 9001, ISO 14001, BSCI

Commercial Terms

Logistics Modes

- Air
- Sea
- Land

Minimum Order Quantity

2 pcs

Delivery Time

2-15 days
