

Mini 1.8 kg Capacity Portable Washing Machine

This mini washing machine has a 1.8 kg capacity. It is compact and portable, making it suitable for small loads in apartments, dorms, or when traveling.

Product Overview

Compact Washing Solution

This portable washing machine is an ideal solution for small living spaces such as apartments, dormitories, or for travel needs. With a 1.8 kg washing capacity and a power-efficient design, it offers a convenient and space-saving way to handle small laundry loads. Its lightweight construction ensures easy portability without sacrificing essential functionality.
