### Technical Specifications

Spindle Thread	M10
Net Weight	1.4 kg
Disc Size (Imperial)	4 x 1/5 x 5/8"

## Design & Ergonomics

### Body Design

- 168mm ultra-slim body for comfortable grip
- Ergonomic design for one-hand operation
- Compact head for working in narrow spaces
- Dust-proof rear switch for convenient operation

## Durability & Cooling

### Cooling & Protection

- Shark gill cooling design for efficient heat dissipation
- Air inlet area increased by 30% for harsh conditions
- Auto-stop carbon brushes to protect the motor
- 20% longer working life via imported carbon brushes
- Metal protective guard for enhanced safety

## Applications

### Primary Applications

Grinding, Cutting, Polishing, Professional Use, DIY

## Package Contents

### Standard Accessories

- Wrench
- Carbon Brush Set
- Protective Guard
