

# Mini Dual Action Car Polisher

This mini dual action car polisher is designed for polishing and buffing automotive surfaces. Its compact size allows for easy maneuverability in tight spaces.

## ADDITIONAL IMAGES

## Product Overview

### Precision Detailing Tool

This mini dual-action car polisher is engineered for precision detailing in hard-to-reach areas such as car lights, rear-view mirrors, and small surface imperfections. Its compact design allows for exceptional maneuverability where larger polishers cannot fit, making it an essential tool for comprehensive vehicle maintenance. With adjustable speed settings and versatile eccentric options, this tool is well-suited for both professional detailers and automotive enthusiasts.

## Technical Specifications

Power Output	80 W
Battery Configuration	12V 2.0Ah
No-load Speed	6000 rpm
Disc Diameter	1.5 inch
Eccentric Distance	Rotary, 3mm, 12mm
