

Mini FM Scan Radio with Earphone

This compact radio offers FM auto-scan functionality. It is lightweight and includes an earphone.

Product Overview

Compact FM Radio Solution

This mini FM auto-scan radio is designed for maximum portability, making it an ideal companion for sports, travel, and promotional activities. Its lightweight, compact spherical design ensures it fits easily into pockets or bags while providing convenient private listening via the included earphone. The device is ready to use immediately, as it comes with the necessary button battery included.
