

Mini Tube Cutter 3-16mm

Mini tube cutter designed for cutting tubes with diameters from 3mm to 16mm (1/8 inch to 5/8 inch). The tool's compact size allows easy maneuverability in tight spaces.

Product Overview

Compact Precision Cutting

The Mini Tube Cutter is a compact and efficient tool designed for precision cutting in tight spaces. Featuring a robust aluminum body and a high-quality alloy steel blade, it ensures clean, accurate cuts without tube deformation. It is an ideal solution for plumbing, HVAC, and maintenance applications requiring maneuverability.

Technical Specifications

Minimum Cutting Diameter	3 mm
Maximum Cutting Diameter	16 mm
Compatible Materials	Copper, Aluminum, Thin-walled Stainless Steel

Construction & Materials

Blade Material	Alloy steel
Body Material	Aluminum

Key Features

Product Highlights

- Compact design for tight spaces
- Adjustable knob for controlled pressure
- Prevents tube deformation
- Durable, long-lasting construction
