

Mobile Lubricating Oil Injector

This mobile lubricating oil injector features a pressurized tank, delivery hose, and spray nozzle. Equipped with wheels and a sturdy frame, it ensures efficient and controlled application of lubricating oil in various industrial and automotive settings.

Product Overview

Mobile Lubricating Oil Injector

This mobile lubricating oil injector is designed for efficient and controlled application of lubricants in industrial and automotive environments. It features a pressurized tank, a flexible delivery hose, and an ergonomic spray nozzle for precise dispensing. Equipped with wheels and a sturdy frame, this unit offers excellent portability and reliability for maintenance tasks.

Technical Specifications

Gross Weight	14 kg
Net Weight	12 kg
Packaging Dimensions (L x W x H)	60 x 34 x 46 cm
Quantity per Unit	1

Key Features

Equipment Highlights

- Pressurized tank system
- Integrated delivery hose
- Precision spray nozzle
- Mobile wheel design
- Sturdy support frame
