

# Mobile Phone Accessory

This product enhances mobile phone functionality. It provides protection and style for various mobile phones.

## Product Overview

### High-Performance Centrifugal Blower

This centrifugal blower is engineered for demanding industrial applications, offering robust airflow performance and reliable operation. It features a detailed technical design optimized for consistent static pressure delivery across varying operational loads. Built to withstand challenging environmental conditions, this unit is suitable for integration into systems requiring precise air movement and thermal management.

## Performance Metrics

### Performance Characteristics

**600 Pa**

Max Static Pressure

**3 m³/min**

Max Airflow

## Environmental Specifications

### Operating Environment

Parameter	Range
Ambient Temperature	-20°C to +40°C
Relative Humidity	90% to 95% (RH)
Atmospheric Pressure	86 kPa to 106 kPa
Altitude	< 2500m

## Technical Dimensions

### Wiring Configuration

Red (+), Black (-)
