

Mobile Phone Straps

Mobile phone straps offer a secure way to carry mobile devices. These accessories help prevent accidental drops and provide easy access to the phone.

Overview

Clean Energy Urban Transport

The GZ6102SV1/SV2/SV3 is a specialized single-fuel LPG air-conditioned city bus designed for efficiency and environmental compliance. It utilizes a high-performance LPG engine to ensure cleaner, more complete combustion compared to traditional fuels. Safety is prioritized through the integration of a protective fence surrounding the gas cylinder.

Technical Specifications

Model Variants	GZ6102SV1, GZ6102SV2, GZ6102SV3
Fuel Type	Liquefied Petroleum Gas (LPG)

Safety Features

Gas Cylinder Protection	Yes
Safety Implementation	Equipped with a protective fence for added safety
