Overview

Compact Mobile Printing Solution

This mobile thermal printer is a versatile and portable device designed for on-the-go receipt and label printing. By utilizing thermal printing technology, it eliminates the need for ink cartridges, significantly reducing maintenance and operational costs. Its compact design and wireless connectivity make it an ideal choice for retail, logistics, and field service applications requiring seamless integration with mobile devices.

Performance

Printing Speed	80 mm/s
Printhead Life	50 KM

Technical Specifications

System Information

Attribute	Value
Firmware Version	v1.40
Last Modified	Dec 14 2018
Supported Media Width	58 mm
Net Weight	0.37 KG

Connectivity

Connectivity Interfaces	USB, Bluetooth 2.0, Bluetooth 4.0
