

Mobile TV Stand for 42-85 inch Screens

This mobile TV stand features four locking wheels for easy mobility. It is perfect for displaying TVs in homes, offices, meeting rooms, and exhibition spaces.

Product Overview

Professional Mobile Display Solution

This heavy-duty mobile TV cart provides a stable and versatile mounting solution for large flat-panel displays ranging from 42 to 85 inches. Engineered for demanding environments such as hospitals, schools, and corporate boardrooms, its high-grade steel construction ensures durability and security for equipment weighing up to 50kg. The unit features smooth-rolling, lockable casters for effortless mobility between rooms, making it an ideal choice for dynamic presentations and shared workspaces.
