

Mobile TV Stand with Adjustable Height

This mobile TV stand is designed for Plasma, LED, and LCD TVs. It features adjustable height settings and locking caster wheels for stability.

Product Overview

Professional Mobile Display Solution

This heavy-duty mobile TV stand is engineered for versatility and stability, supporting displays ranging from 37 to 60 inches. Constructed from high-gauge cold-rolled steel, it offers a durable and reliable mounting solution for professional environments such as conferences, classrooms, and presentations. The unit includes a universal hardware pack for easy installation and provides a robust structure capable of handling significant weight loads.
